Claims 19-45 are rejected under 35 U.S.C. 112, first paragraph, because the specification, while being enabling for polymeric Gelling agents, does not reasonably provide enablement for any Gelling agent. The specification does not enable any person skilled in the art to which it pertains, or with which it is most nearly connected, to make the invention commensurate in scope with these claims. On page 15 line 20-page 16 line 22 applicants disclose polymeric Gelling agents. No others are specified.

No claims allowed. The TD filed 2/13/04 is approved.
